Are you interested in working in the Healthcare, Technology and Skilled Trades industries?

The Virginia Ready Initiative in partnership with FastForward and City of Alexandria Workforce Development Center can help you gain necessary skills and credentials to get back to work in an in-demand job.

FastForward is a short-term, low-cost workforce credential grant program to train Virginians for top, in-demand jobs across the Commonwealth.

FastForward covers two-thirds of the cost of tuition for a wide range of credential programs offered through Virginia's Community Colleges. If you complete one of the 30 FastForward credentials approved by the VA Ready program, you will earn a \$1,000 Credential Achievement Award and an opportunity to apply for open positions at the VA Ready Jobs board.
